EXPERIENTIAL LEARNING

Summerland farm is more than just a fun day out!

At Summerland farm, we provide fun hands-on educational workshops. Students have the opportunity to get up-close to our furry friends with animal encounters and get venturesome in our new adventure playground and water park.

With rolling green hills as far as the eye can see, we have let nature inspire our adventures with streams of running water, rocks and logs to climb and a large fort to explore.

Plant Science & Sustainability

Experiential learning through gardening seeks to engage students in thinking and doing. Students will have the opportunity to get their hands dirty and connect with nature while creating their own succulent habitat to take home and care for.

\$10 per student

Agriculture & Farming

Students will get the chance to observe and interact with some of our furry friends and learn about animal characteristics, behaviours and habitats, expanding their knowledge of the natural world.

\$10 per student

Guided Walking Tour

Students will discover how macadamia nuts and avocados grow right from the tree to the table! Our guided tour offers interactive learning experience in a beautiful farm setting.

\$10 per student

Nature Scavenger Hunt

Our Nature Scavenger Hunt is a fun and interactive outdoor adventure that allows children to explore nature, searching for plants, animals and other natural wonders while developing their observation skills.

\$5 per student

Pizza Making Workshop

Our Pizza Making Workshop is a fun and engaging workshop that allows students to explore basic cooking skills. Within this workshop they will learn about healthy ingredients and the science behind baking. It's a delicious way to learn and have fun while making their very own tasty creations for lunch.

\$15 per student

Farm to Shop Process

Experience the journey of food from farm to market! They will learn about how nuts are grown, harvested and prepared for sale. Students will get hands-on by cracking nuts and packaging them ready for selling.
