

BUS TOURS

Summerland Farm is a beautiful macadamia and avocado farm set high in the Ballina-Byron hinterland. As a place of inclusion, Summerland Farm provides employment for people with a disability, across a diverse range of industries, which you will soon learn all about!

Enjoy our famous homemade scones or settle into our restaurant for a scrumptious lunch. Take home a selection of the region's delicious produce from our Grocer, explore our beautiful gardens, and give our animals a visit. There is so much to see!

***Park entry included**

***Additional cost for animal encounters**

WHILE YOU'RE HERE...

Stretch your legs and wander through our Adventure Park's paved pathways and beautiful gardens

Take a piece of our Farm with you & browse our Grocer shelves stocked with local & gourmet goodies

Stuart will fill you in on our origins, beginning in 1972, and now positions us as one of the most successful disability enterprises in Australia.

On the day you can purchase an animal encounter for \$5pp. Cuddle our extremely cute animals and feel instant happiness!
